January 10, 2005

Dear Jill and Staff,

On behalf of Abbott Laboratories International Division, I wanted to let you know how extremely pleased we were with the event we held at your culinary cooking school on January 6th. As you knew, we were holding an intensive branding meeting with some of our best international people from the four corners of the world. It was important for us to provide them a fun and relaxing evening at the end of 4 grueling days. Mission accomplished ! Thank you for helping Abbott Laboratories send this group of individuals back to their respective countries thoroughly impressed.

Additionally, I heard many comments the next day from the participants about taking classes at your school on their own, with family and bringing their own staffs back. I am sure this was driven by the overall educational experience this group received. I was impressed to see the number of people pulling out their pens to take notes.

Jill, you have an exceptional culinary school and the experience was like no other.

We look forward to holding additional events with the Jill Prescott Culinary School. Please never hesitate to use us as a reference.

Kind Regards, 

Thomas E. Wistar
Senior Program Manager
